COTTON CHATS

DRAPER COMPANY

HOPEDALE, MASS.

NO. 125. MARCH, 1913.

OUR FAITH

in the Northrop Loom is shown by the views of our works on pages 3 and 4. The plan view on page 3 shows the erecting shop carried across the site of our old office. The various buildings now have a combined floor space of over 33 acres.

OUR CUSTOMERS' FAITH

in the Northrop Loom is shown in the orders for looms which we have received during the past few years. A large share of these are to replace common looms in good condition which their owners cannot afford to operate.

That the field of the Northrop Loom has extended beyond plain print cloths and sheetings is shown by the illustration on next page.
